All: This folder held some of my notes (I placed the conference call notes on Chris's desk- lucky dog) and docs for the National 404 Inspector Workgroup. We are supposed to be using the latest draft to send to landowners. We are to report to the Workgroup at the next scheduled meeting on its effectiveness and to recommend any needed changes. I recently used it to memorialize the Henry Brown/Pine Hope site inspection and it seemed to work for me. Good luck!
